I'm Proud to be a Nurse

I'm proud to belong to a profession that specializes in helping people. To me, being a nurse means to be clean, honest, compassionate, hard working, and intelligent. That's a pretty tall order! I can't help feeling proud when at the end of my shift, I know I've filled that order. I may not have been a heroine, but I've filled human needs.

Many lives have been saved by knowledable, quick thinking nurses. I am indeed proud to be part of the life saving, health promoting team of Drs., nurses, and other hospital personnel. But even more than life saving, I'm proud to be a nurse, because I save human beings. Save them from bearing any more than is necessary.

I have saved the elderly embarrassment when they've lost control of their speech, their mind, or other body functions. I have saved new mothers the frustration of not knowing how to nurse their

baby, and being afraid to ask. I have saved a frightened child from falling asleep without a goodnight hug and kiss. I have saved parents from panic when their child awakens in the night with croup. I have saved the critically injured from suffering pain and undetected complications. I have saved the modest from losing their dignity. I have saved a family from feelings of lonely helplessness at the bedside of a loved one. I have saved the terminally ill from fear of being alone, or dying without a hand to hold.

How vulnerable a person feels when suddenly they are no longer in control of their situation, their health, or even their very lives. Nurses offer strength, confidence, love and stability. A buoy to cling to. They give of themselves what others lack. And that's something to be proud of!

Eagles Club Holds Annual Visitation

By Fawn Kohler

The Eagles Club annual visitation was held in Midway and other areas of the Valley Saturday and Sunday, under the presidency of the men's acire, Bill Farrell and pres. of the ladies auxillary of the Heber Eagles 3777. The Heber Club was hosts for all 16 clubs throughout the state of Utah. The Eagles donate to 6 worthy

charities and the Papps Club which is responsible for seeing eye dogs to the blind. This year the seeing eye dog went to Guest of Honor Kim Atkinson of Francis. Kim's mother LaDean Atkinson, grandparents Doris and Theron Atkinson and Marge and Bert Davis and his in-laws Mr. and Mrs. Reed Franz and Neil and Shirley Sproule were also honored guests.

Tony DiStefano and the Blue Sage furnished the music for the Saturday night dance.

Saturday evening at 6 p.m. the State Officers met at the 3777 lodge in Midway for their officers meeting while at the same time the ladies auxillary met at the Town Hall. The men joined the women at 7 p.m. for their joint meeting for all 327 participants. A buffet dinner was enjoyed at 8 p.m. with a dance which started at 9 p.m.

The Green Acres, Hylander Motels were used as well as campers and the lodge to over night the people. Sunday morning the Heber Auxillary served breakfast at the lodge from 8 a.m. to 1 p.m. after which was a jam session and visiting from 2 p.m. until going home time.
